

Regional Science Centre (RSC), Bhavnagar a must visit place has been established by Gujarat Council on Science and Technology (GUJCOST), working under the aegis of Department of Science and Technology, Govt. of Gujarat. RSC Bhavnagar is located on Ahmedabad Highway near Nari Gam. Spread over an area of 20 acres, the lush green campus was inaugurated by Hon'ble Prime Minister on 29<sup>th</sup> September 2022. Five theme-based galleries namely, Marine Aquatic Gallery, Automobile Gallery, Electromechanics Gallery, Biology Science Gallery and Nobel Prize in Physiology or Medicine Gallery have been developed based on the peculiarity of the region. In addition, 9-D Virtual Reality is a special attraction. Along with this, RSC Bhavnagar conducts various hands-on activities and caters to diverse group of visitors showcasing science pertinent in daily life as well as demonstration of futuristic technologies.
